

## Happy Easter!

We learned the true story of why we celebrate Easter today and used these pictures from our story to help us remember. When you go home, cut these images apart and place them inside 6 plastic Easter eggs. Have your preschooler open them one at a time to retell the story. *(Want to watch the story? Just use the QR code below!)*

Jesus told His friends, the disciples, that He would have to go away but that He would come back. That night, while **Jesus was praying** for us and for what was about to happen, some mean men took Jesus away and hurt Him so badly He died. Jesus' friends were so sad they put Him **in a tomb** and rolled a big stone in front of it. They waited **three** long, sad days. When **they went back** to the tomb they found the **stone had been rolled away** and Jesus was not there. Jesus came back just like He said He would. **The tomb was empty** and Jesus is **ALIVE!**  
Jesus loves us so much that He died on the cross and came back to life so we could be friends with Him forever!

Jesus is alive, and that is the best news ever! Encourage your child to retell the story by opening their last egg and saying **"Jesus is alive!"**
