

Dear Parent/Guardian,

Today in preschool we learned that when we show kindness to others by *helping, giving and sharing*, we love like Jesus and shine our light to show the world Jesus loves them.

Place your child's "I LET MY *Light* SHINE" cup in a special place. When your child shows kindness, let them know by filling out the "I let my light shine by...." paper strip and placing it in your child's cup. Continue to talk about ways to love like Jesus by being kind.

Jesus says to love like Him.
