## KIDCITY ZOOM SAFETY

- Don't be the only adult in a zoom call. Ask another small group leader or parent to join you.
- These meetings will be recorded for everyone's safety.

## HAVE A PLAN/ SET EXPECTATION

- It would be a good idea to have a rough schedule of the time mapped out in your head. For example: Tell the kids that you will have X amount of time to share what's going on in their lives and then you will all talk for awhile about what they're learning about God.
