

## **MAIN IDEA**

God calls us to be as relevant as possible to as many as possible and to be as effective as possible at leading as many to Jesus as possible.

## **STARTER**

What first drew you to God? Try to name the actions and words instead of just the people who come to mind.

## **DISCUSS**

What words or actions would you say are relevant to the people in your community or social circles?

Would those same people say that they can relate to you? Why or why not?

## **READ**

Read [1 Corinthians 9:19-23](#)

What stands out to you from Paul's words to the believers in Corinth?

What gets in the way of you being able to do the same as Paul?

## **APPLY**

Think back on the person(s) who loved you where you are. They partnered with God to be relevant and effective in reaching you at that time. Likewise, how has God set you up to be relevant and effective to love someone else where they are right now?

How can this group help you?

Close by praying for group needs, and that God will move in this group to reach others in a way that is relevant and effective.
