COMMUNITY BUILD

Who has a game or event in the next two weeks? / When are we hanging out? What should we do?

Who is someone you're going to invite to Squad Night?

PRAY

Good opportunity to practice praying for each other – "pray for the person on your right". If they don't share anything specific, pray they would want to be more like Jesus in how they think, speak, and act! Pray they would make decisions "trusting God and His Word more than their feelings".

How can we pray for each other this week?
