**EXODUS**

## LEADER PREP

## MAIN POINT

**Exodus teaches us that God cares about all the little details of our lives.**

## SCRIPTURE

Exodus 25:8-9 NIV  
1 Corinthians 6:19-20 NIV

## GOAL OF SMALL GROUP

To help students see that the Bible isn't as intimidating as it may seem. It's actually the Word of God given to us to help transform our lives.

## THINK ABOUT THIS

Today is a day we are doing an Gospel Invitation + Response during the message. Celebrate any students who make this decision and be sure your HSM Campus Pastor knows so we can celebrate them and walk with them through next steps as a church.

## DISCUSSION QUESTIONS

## THE CHECK IN

- How was everyone's week? Share Highs & Lows.
- Someone recap the main point of the message in your own words.
- Last week we continued our Exodus reading + studying plan (*recap this if you have any new students*), for those of you who had this plan - how did this week go for everyone?
- Before today, how familiar were you with the Ten Commandments? What did you know about them?

## THE WORD

- READ Exodus 25:8-9.
- What did God mean when He said He would dwell with the Israelites in the sanctuary?
- READ 1 Corinthians 6:19-20.
- How does God's spirit dwell with us today?
- Imagine your life as a "house." There are rooms for all the important parts of your lives: school, home, sports or whatever is important to you. etc. There is even junk you don't want others to see stuffed in the closets. Silently reflect on what God would find if He went through all your rooms and closets. Are there any areas of your life you need to give over to Him or confess to Him?
- Take a few moments for silent prayer, where students can talk to God and give their full lives, the stuff in their rooms and closets, fully to Him. After a few minutes, close the prayer out loud thanking God for loving and hearing us.

## APPLICATION

- Studying and reading our Bible on our own is an amazing way to grow in our relationship with Jesus.
- DO: Pass out Exodus Reading + Studying Plan and talk through how you can encourage each other to read and study Week 4 before next week.
- Also pass out the CREATE YOUR OWN Reading + Studying Plan and talk through how your students can keep up this habit over the summer. Maybe pick a book to do together in June?

## PRAY

We are going to close in prayer. Any prayer requests?
