

I can pray to God at Night.

I can pray to God in the Morning.

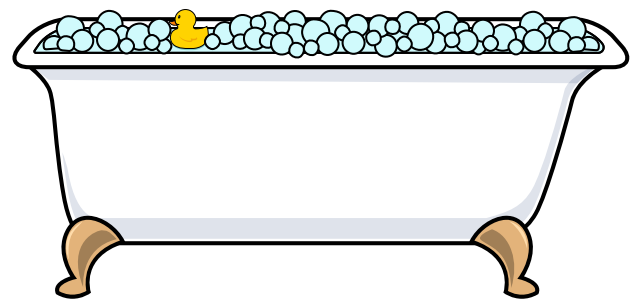

I can pray to God before I eat.

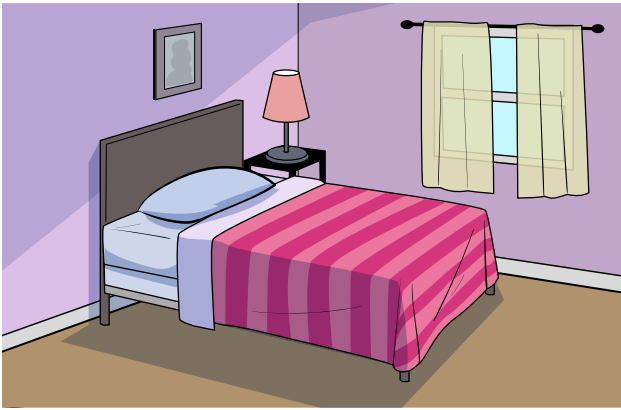

I can pray to God in the car.

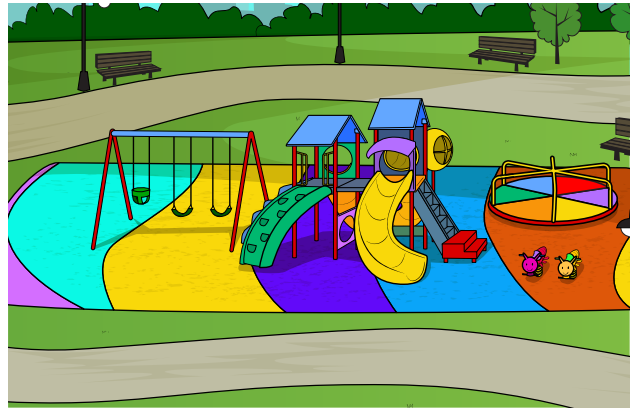

I can pray to God when I play.

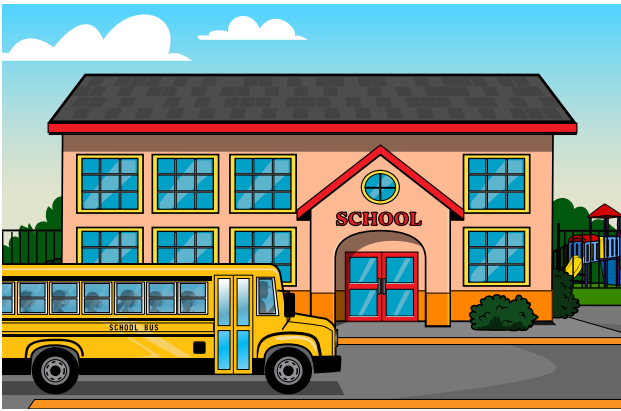

I can pray to God during bath time.

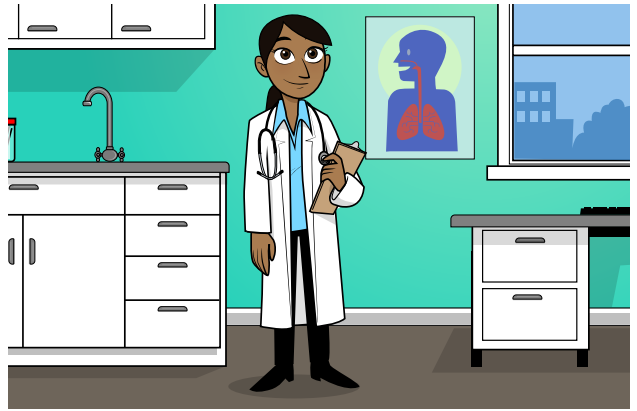

I can pray to God at home.

I can pray to God at the playground.

I can pray to God at school.

I can pray to God at the doctors.

I can pray to God at the grocery store.

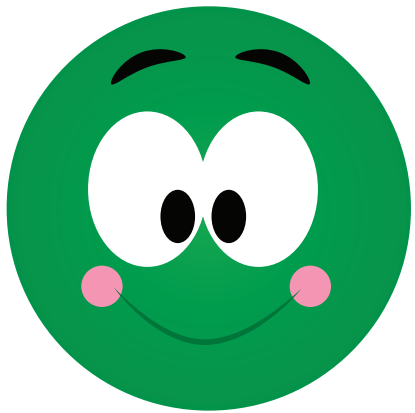

I can pray to God at the library.

I can pray to God when I am sad.

I can pray to God when I am frustrated.

I can pray to God when I am happy.

I can pray to God when I am scared.

I can pray to God when I am excited.

I can pray to God when I am worried.
