

Thank You, God, for Rain!

Wiggle fingers from head down.

Thank You, God, for the Sun!

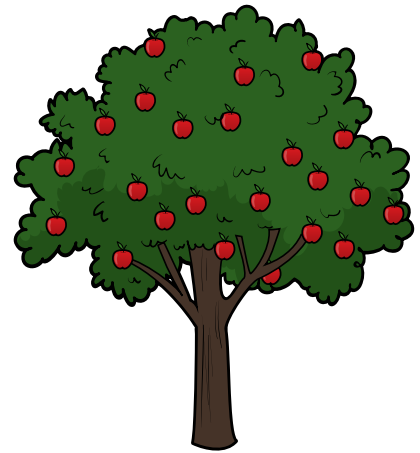

Make circle with arms over head.

Thank You, God, for Dirt!

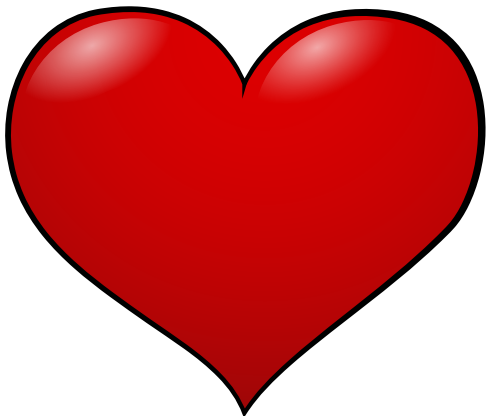

Cover seed with dirt and pat with hands.

Thank You, God, for Plants!

Squat, slowly rise and stretch arms high to sky.

Thank You, God, for Loving Us!

Give yourself a big hug.

**I can have
joy all the
time.**

Say bottom line while cheering.
