James 1:17a

This week we are in the book of James. James wrote this one short book in the Bible. He wrote,

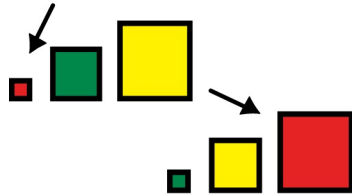

"Every good and perfect gift

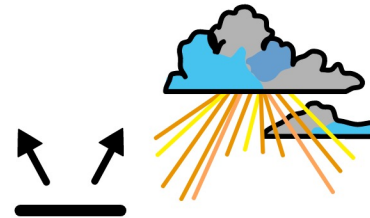

is from God."

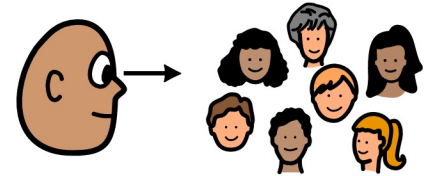

Whatever is good in your life

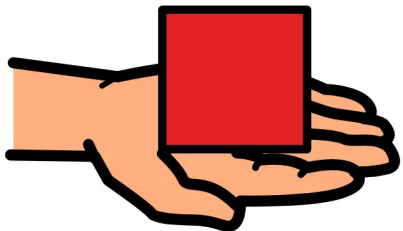

whether it is small or big,

it comes from God.

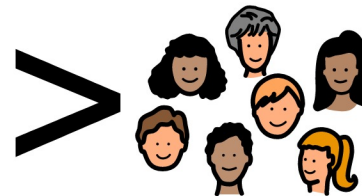

Sometimes, it is easy to look at what other people have.

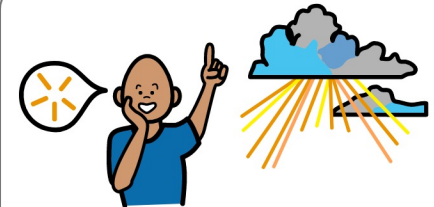

We will always have

less than some people

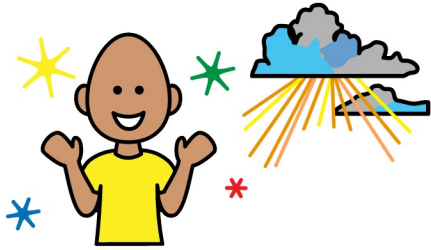

and more than others.

But it is important to remember what God has given us.

The most amazing gifts from God

are not those wrapped in paper.

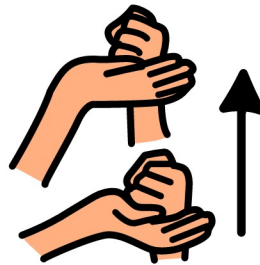

God has given us life in every breath we take.

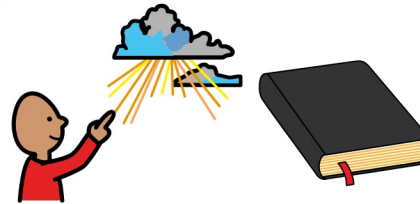

He has given us people to love and care for us.

He has given us food to eat and a world to live in.

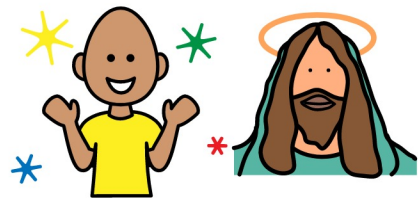

He has also promised us the gift of help.

We can seek his help by reading our Bible.

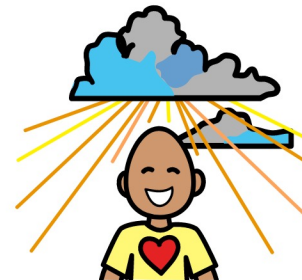

We can also pray and know that He is with us.

The greatest gift He has given us, God's very own son, Jesus.

When we follow Jesus,

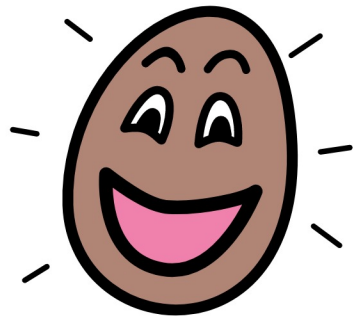

our relationship with God is restored.

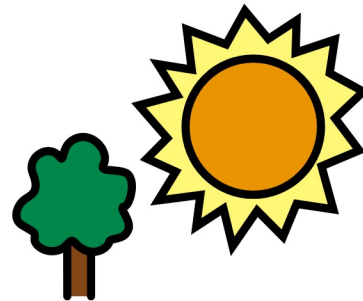

We can know that God will make everything right in the end.
