Proverbs 12:18 (NIrV)

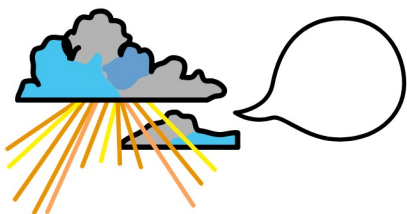

Today we are in the book of Proverbs. Proverbs are short stories

that help people make wise decisions -

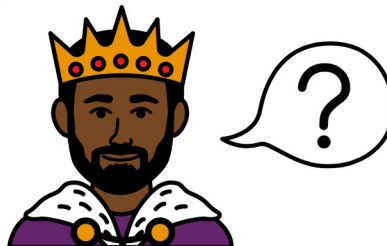

many of which came from King Solomon.

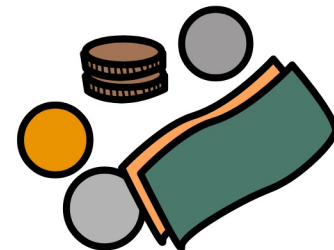

One night, God spoke to King Solomon and

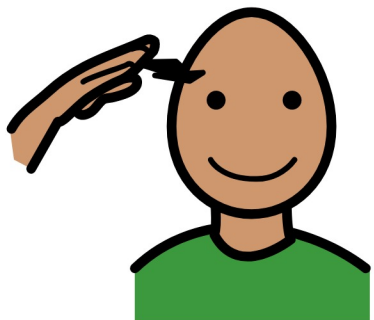

told him he could have any gift that he wanted.

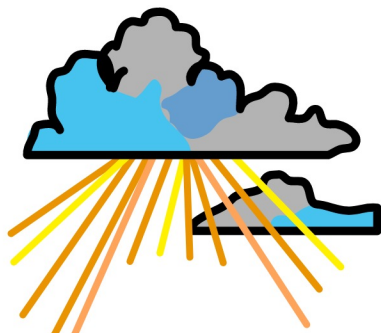

Solomon could have asked God for

money or power, but instead

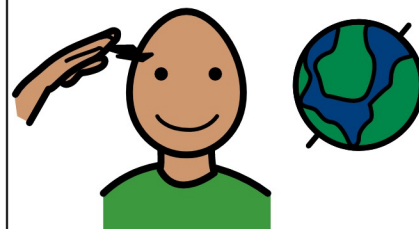

he asked for wisdom.

God listened and

made Solomon

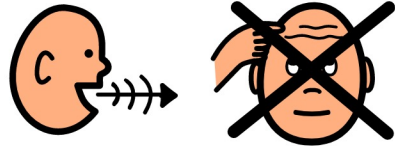

the wisest man on earth.

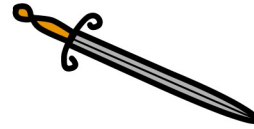

KC October 13 2024 Pg. 3

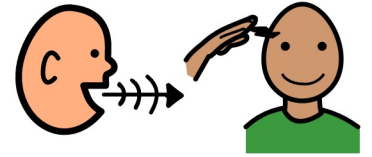

One of the wise Proverbs that Solomon collected reads,

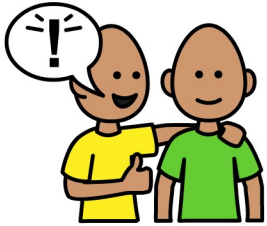

'Words of thoughtless people

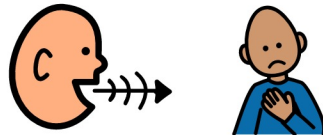

cut like swords,

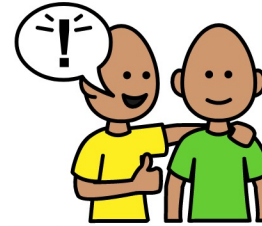

but the words of wise people

bring healing.'

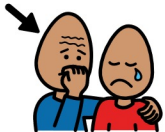

When we speak, we have the power to either hurt someone,

or help someone heal.

Sometimes we don't think before we say

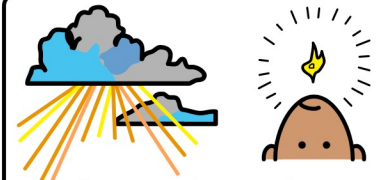

things, and we end up saying things that are hurtful to others.

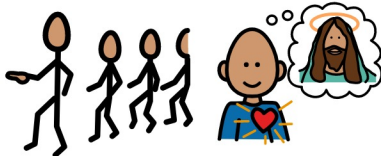

It is important to stop and think before we speak.

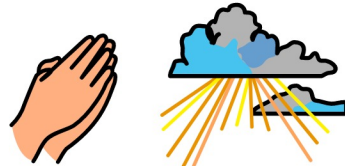

If we have something positive to say, we should say it.

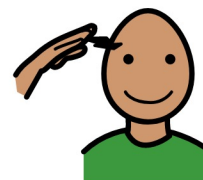

God sent the Holy Spirit to live inside of us

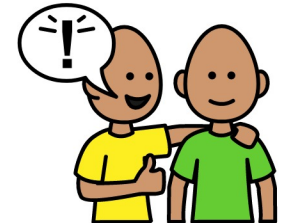

to help guide us.

We can pray and ask God to give us

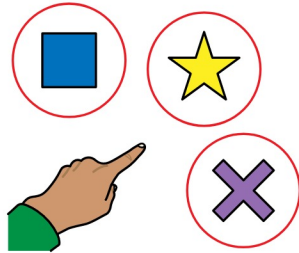

wisdom when we use our words

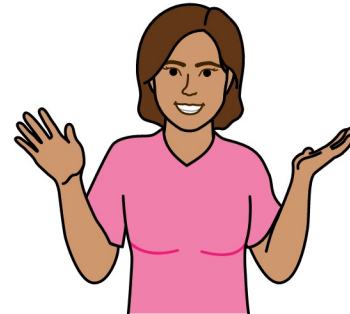

to bring healing to others.
