1 Samuel 24 (NIRV)

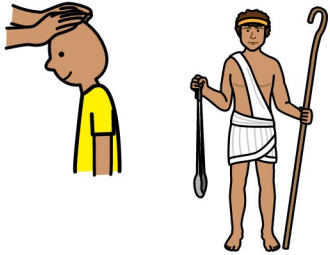

King Saul was the first king of Israel.

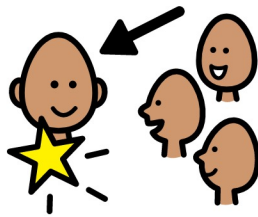

Saul didn't follow God, so

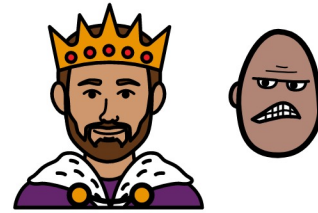

God told the prophet Samuel

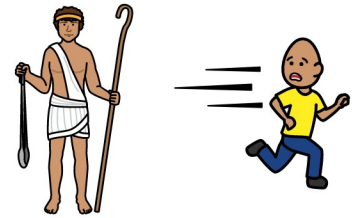

to anoint David as the next king.

As David gained success and popularity,

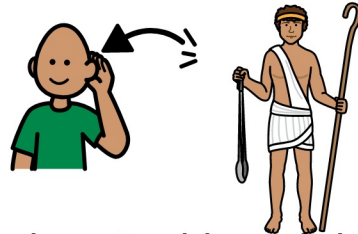

King Saul became jealous and tried to kill David.

So David escaped and ran from Saul for nearly 10 years.

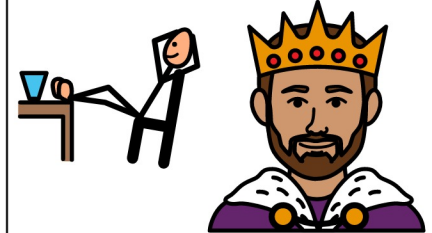

Saul continued to chase after David.

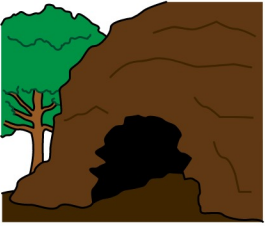

When Saul heard that David was in the desert,

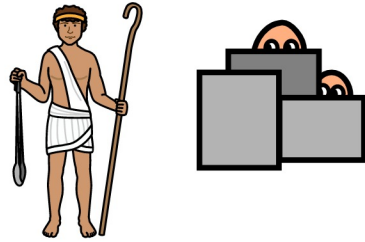

he took 3000 soldiers after David.

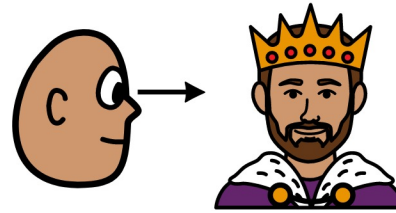

When Saul ended up at a resting point,

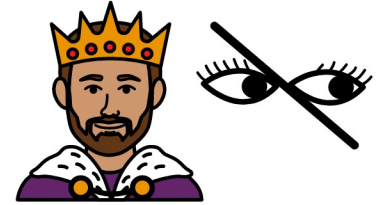

he went into a cave.
This was the cave
where

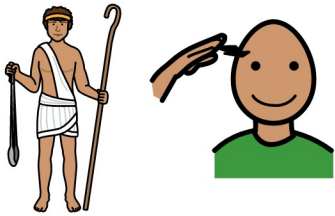

David and his friends
were hiding.

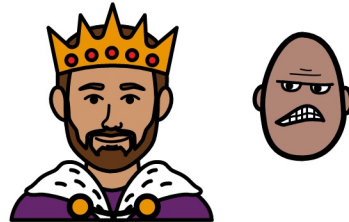

David could see
Saul but,

Saul couldn't see
David.

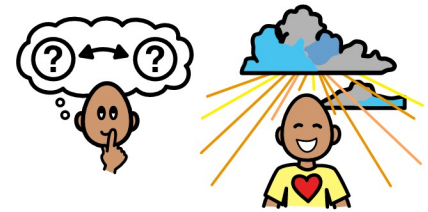

David knew that he
didn't do anything
wrong to Saul.

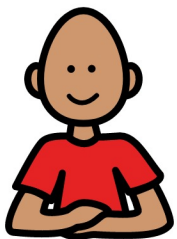

But Saul was
determined to kill
David.

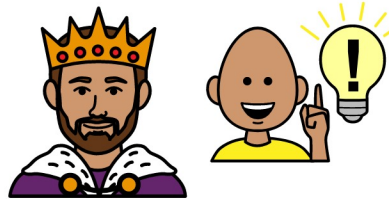

Now David had the
chance to get even
with Saul.

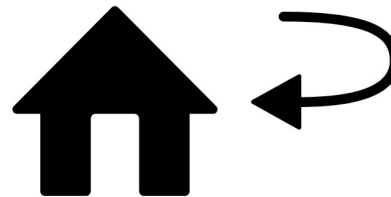

But David chose to
trust God

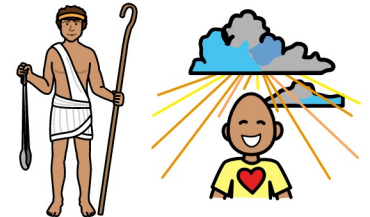

and have self-control
instead.

Saul realized that
David had treated
him well.

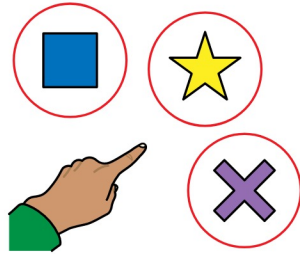

So Saul returned
home.

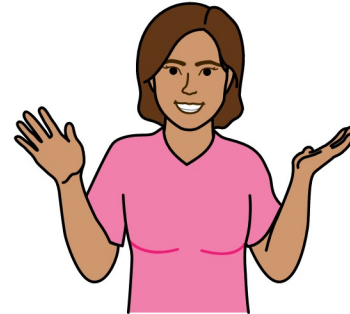

David had peace
knowing he had
chosen to trust God.
