Lazarus, the brother of Martha and Mary, came down with a pretty serious sickness. His sisters thought he might die.

Jesus received a message from Mary and Martha, letting him know Lazarus was sick.

Jesus responds to the message about his friend and claims the sickness will not end in death.

Mary and Martha realize that Jesus doesn't come to help right away and stays where he is for 2 more days.

When Jesus told his friends it was time to leave and go to Judea, they were a little worried because the religious leaders has tried to kill Him.

Once Jesus finally arrived in Bethany, Lazarus' sisters broke the news that he had already died.

When Mary realizes Jesus is there, she falls at His feet, and tells Jesus how she wished He would have come earlier so Lazarus wouldn't have died.

Jesus felt deeply for the loss of his friend, and He cried.

Jesus wanted to go to Lazarus' tomb and remove the stone in front of it. Martha wasn't sure about this since Lazarus' dead body had already been in there for 4 days.

When the tomb was open, Jesus prayed to God and asked Lazarus to come out. It was a miracle: Lazarus came walking out of the tomb!

Jesus was sad about His friend. We can be encouraged, knowing that Jesus is right there with us no matter how we're feeling. Jesus is with us in our joy and in our sadness.

When you take time to pay attention to what you feel and work through it, God can give you the resilience to get back up
