

# WEEK 2

## HIGH SCHOOL DISCUSSION GUIDE

### THIS WEEK

#### **BIG IDEA**

We've been chosen to share God's story – starting with our own

#### **BIBLE**

Matthew 28:18-20; 2 Corinthians 5:18-21;  
1 Peter 2:9; Romans 1:16

### **ABOUT THIS WEEK**

After the resurrection, Jesus didn't just save people—He *sent* them. As followers of Christ, we're ambassadors of the Gospel, telling the world about what He's done in us. This message helps students understand the power of their testimony and challenges them to step into their identity as witnesses in their schools and communities.

#### **Let's Break the Ice // Discipleship Moment Follow Up**

- Does anyone have an example of a time they did or didn't speak up about something important? What happened?
- Last week the discipleship moment was to journal about a time when you sensed God had spoken to you and to write out any doubts or questions you have right now. Would anyone like to share about how that went?

---

#### **Before We Open Our Bibles**

- What stood out to you from today's message?
- Do you feel confident sharing your faith? Why or why not?

#### **Bible Study**

- Read Together: As a group read Matthew 28:18-20 and Romans 1:16
  - *Telos Bible Page Numbers: Matthew 28:18-20 (pg. 972) // Romans 1:16 (pg 1099)*

#### **Discussion Questions:**

- What does it mean to you that you are "sent out" by Jesus?
- Why do you think Paul emphasizes not being ashamed of the Gospel? Why are we sometimes ashamed of it?
- How does your story reflect the power of God? Even if it feels simple or messy?

#### **Make it Real:**

- If someone asked you to share your story in 2 minutes, what would you say?
- Break up into groups and practice. Afterwards, ask a few people to share how it went.

---

#### **Prayer**

- **Share Requests – Take time to ask for specific prayer requests related to sharing faith or boldness**
- **Pray that God would embolden each student, open doors in their schools or online, and remind them that their story carries the power of the Gospel.**

#### **Discipleship Moment: Scripture Memory**

2 Corinthians 5:18-21 is Paul's summary of the basics of the Gospel. It isn't his story, but it's what the Bible teaches the Good News is. This week, challenge yourself to memorize these verses so you'll always be ready to share the Gospel as the Bible teaches it.
