Faith

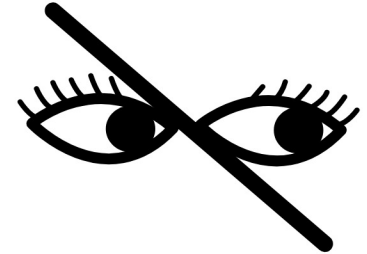

is being sure of

what we hoped for.

It is being sure of

Noah loved and obeyed God. Everyone else chose to go their own way. People were selfish and did hurtful things. God's heart was filled with sadness.

He spoke to Noah, "I am going to bring a flood on the earth. It will destroy all life under the sky, but I will make my covenant with you. So make yourself an ark out of Cypress wood".

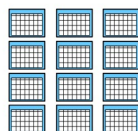

God gave Noah specific instructions to build this ark (boat). The ark was to be 450 ft. long, 75 ft. wide and 45 ft. high.

"Bring a male and female of every living thing into the ark. They will be kept alive with you", God said to Noah.

"Take every kind of food that you will need. It will rain for 40 days and 40 nights", God said to Noah.

Noah got to work on the ark just as God told him. It took Noah and his family decades to complete the ark by hand.

But Noah was faithful to keep on going even though he didn't understand exactly how it would all work out.

When the ark was finished, God sent pairs of every animal on Earth to enter the ark long with Noah, his wife, 3 sons and their wives.

Once inside, God shut the door and it began to rain. It rained hard for 40 days and 40 nights.

The flood waters rose until the highest mountains on Earth were covered. Everything on earth was gone.

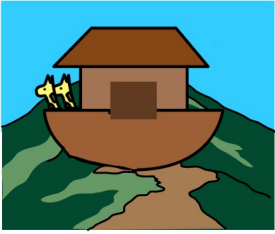

Only Noah's family and the animals were saved. Even after the rain stopped, the flood covered the earth for 150 days (6 months).

It took a long time for the flood waters to go down, but on the 17th day of the 7th month, the ark came to rest on the mountains of Ararat.

Noah and his family, stayed in the ark several more months as the waters continued to dry up.

Noah sent out several birds to see if there was dry land. When the final bird (a dove) did not return, Noah knew there was dry land with growing plants.

Finally, a year after the rain began, God told Noah to come out of the ark.

Noah was so thankful and relieved that he built an altar and made a sacrifice to honor God.

"I am now making my covenant with you and all your children. A flood will never again destroy the earth.

Here is the sign of the covenant. I have put my rainbow in the clouds. It will be the sign of the covenant between Me and the earth", God said to Noah.

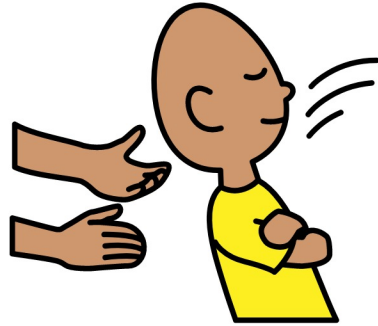

Noah chose to trust God, even when he didn't understand God's plan.

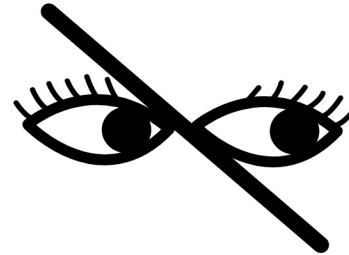

God fulfilled the promise to Noah, keeping him and his family safe through the flood.
