

# WEEK 3

## HIGH SCHOOL DISCUSSION GUIDE

### THIS WEEK

#### BIG IDEA

God makes wrong things right through Jesus.

#### BIBLE

Deuteronomy 32:3-4; Romans 3:21-26

### ABOUT THIS WEEK

God is fair and always does what's right. Sin can't just be ignored, but instead of turning His back on us, God stepped in to make things right through Jesus. At the cross, His justice and mercy came together perfectly. Because of that, we can live with honesty, fairness, and compassion toward others.

#### Let's Break the Ice // Discipleship Moment Follow Up:

- **Check-in:** Last week's challenge was to "show love first." How did that go? What did you notice—either in yourself or in how others responded?
- When's the last time something felt unfair to you? How did you respond in that moment?

---

#### Bible Study + Discussion Questions:

Read **Deuteronomy 32:3–4** and **Romans 3:21–26** together.

- What do these verses reveal about God's character and the way He handles right and wrong?
- Why do you think it's important that God *can't* just overlook sin?
- How do you see both God's justice and mercy displayed at the cross?
- What do you think it means for God to be both perfectly fair and perfectly loving at the same time?
- How does knowing that God is just change the way you handle situations when people wrong you?
- What would it look like for you to stand up for what's right without becoming self-righteous or judgmental?

#### Make it Real:

When things feel unfair, do you trust that God will make things right in His time—or do you take matters into your own hands?

---

### Discipleship Moment:

- **Real World Justice:** This week, notice the world around you. Maybe it's a news story or something a little closer to home. Think about what God's justice would look like in that situation. If it's a personal situation, prayerfully step in to bring justice to that situation.
- **Partner Check-In:** Pair students up and have them commit to checking in with their partner either sometime during the week or during your next gathering.

### Prayer

#### Share Requests:

- Ask for any prayer requests or praises to celebrate together.

#### Group Prayer:

- Encourage students to pray briefly for each other's requests.
  - Close by thanking God for His justice and ask Him to help us carry His justice out into the world.
