than silver.

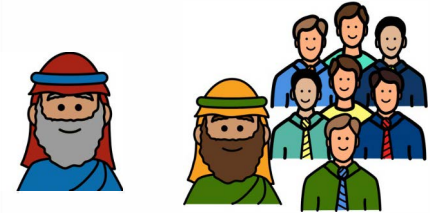

The Israelites wanted an impressive King. God gave the people what they wanted - a tall, handsome King named Saul.

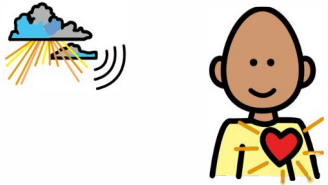

But while Saul looked good, he was impatient and made choices out of fear instead of love for God.

God spoke to the Prophet Samuel, "I am sending you to Jesse in Bethlehem. I have chosen one of his sons to be King."

Samuel chose to obey God and traveled to Bethlehem where Jesse and his family lived. Jesse brought 7 sons to Samuel.

"..People look at the outside of the person, but the Lord looks at what is in his heart.", God told Samuel. Samuel was listening carefully to God.

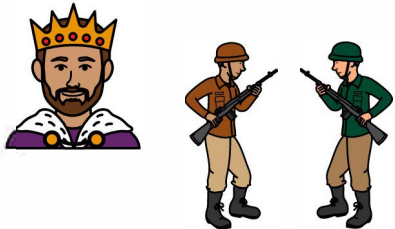

The Lord had not chosen from the 7 sons.

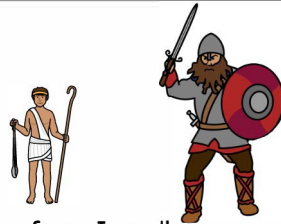

Samuel asked Jesse to send for David, his youngest son who was taking care of the sheep.

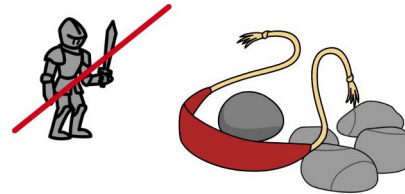

"Get up and anoint him, this is the one", God told Samuel. Samuel poured oil on David's head - a special sign of God's favor.

While God had chosen David, Saul was still King. Israel was at war with the Philistines.

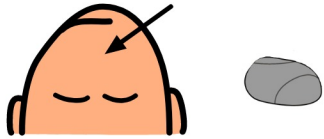

No man from Israel's army was willing to face Goliath. But when Jesse sent David to check on his brothers, David offered to fight him.

David refused King Saul's armor. Instead he picked up 5 smooth stones to use in his sling.

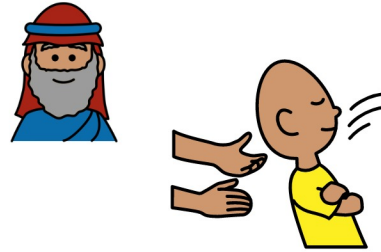

"You come to fight me with a sword, but I come against you in the name of the Lord. He will give me victory", David said to Goliath.

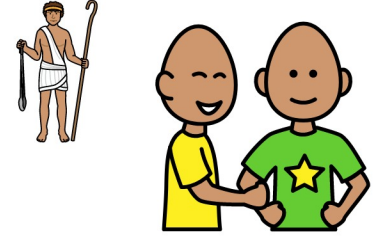

The stone flew from David's sling and hit Goliath on the forehead. The giant fell to the ground.

When the Philistines saw their hero was dead, they ran away in fear and the Israelites chased after and defeated them.

Samuel trusted God to help him make the wise choice.

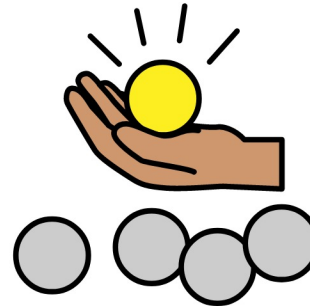

David relied on God for wisdom to defeat Goliath.
