

"Follow Me"

a series on discipleship

WEEK 2 BIG IDEA

You need trusted leaders to teach you the Way of Jesus.

WEEK 2 BIBLE VERSES

John 13:12-17; 2 Timothy 2:1-2

MSM WEEK 2 TEACHING GOAL

Students will see that God puts leaders in their lives to help them learn how to follow Jesus.

TEACHING FLOW

HOOK (2 Mins):

- Who taught you how to do something important?

JESUS TEACHES BY EXAMPLE (4 Mins)

- John 13:12-17 → Jesus shows before He tells and expects you to do the same
 - We don't have Jesus here today to model the way, but He left a legacy of discipleship, so we learn from those who went before us!
- Leaders help us learn what following looks like

WE NEED HELP GROWING (3-4 Mins)

- We don't figure out faith alone
- God gives us leaders to help us grow.

APPLICATION (2 Mins)

- Identify someone you trust to help you follow Jesus (Aside from your small group leader, of course!)
