I give you a new command.

Love

Mark 5:21-43

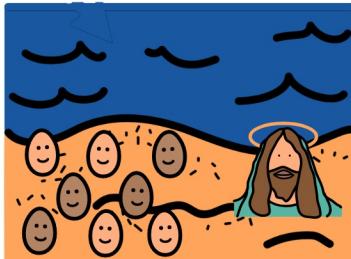

People everywhere heard about the amazing things Jesus was doing.

He healed people who were sick or couldn't walk or had skin diseases.

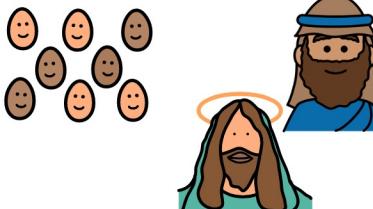

He had power over spirits that weren't from God. He even calmed a wild storm.

So when Jesus crossed the sea of Galilee with His friends, a huge crowd showed up.

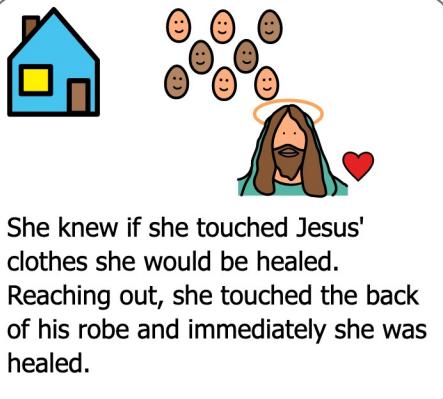

Jairus, an important leader of a synagogue pleaded for Jesus to come to his home because his little girl was dying. He asked Jesus to place His hand to heal her so she would live.

Jesus went with Jairus and so did the entire crowd.

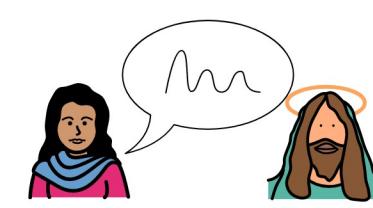

One woman in the crowd had been sick for 12 years with an illness that made her bleed. Doctors could not help her.

She knew if she touched Jesus' clothes she would be healed. Reaching out, she touched the back of his robe and immediately she was healed.

"Who touched my clothes?", Jesus asked. His friends thought this was ridiculous to ask since they were in a crowd. Jesus knew someone had been healed.

"It was me. I knew if I just touched your clothes that would be enough", the woman confessed. Jesus told her that her faith had healed her.

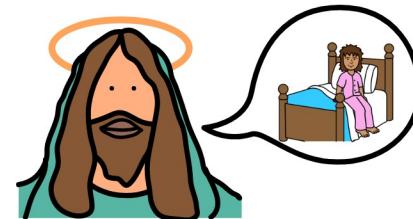

Jesus continued on His way to Jairus house, where a girl was dying. Several people came out of the house and shared the news that the little girl had died.

Jesus told them that the little girl was not dead, but sleeping.

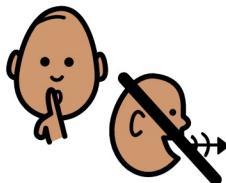

The girl's parents, 3 of Jesus' friends and Jesus went into the 12 year old's room. Jesus took her hand and told her to get up.

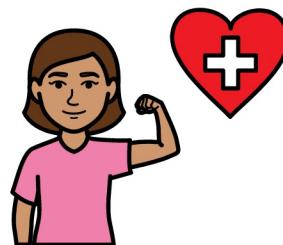

And she did! The girl got up right away and took a few steps.

Everyone was amazed.

Jesus told the group not to tell anyone what had happened.

The girl had not only been raised to life again, she was completely well.

Jesus always had time to stop and show God's love by helping someone in need.
